

# Dino Memory Match

---

## Activity

Play this fun and simple game to stretch your memory and learn different dinosaur names.

## Supplies

- Printer
- Printable dinosaur matching cards (provided)
- Scissors to cut the cards out
- A flat surface (table or floor)

## Instructions

### Game Setup

**First time:** Print and cut out the dinosaur matching cards.

1. Shuffle all the cards.
2. Lay the cards face down in rows and columns.

### How to Play

1. On each turn, flip over two cards.
2. If the cards match, keep the pair and flip over another two cards, taking another turn. If they do not match, turn them back over in the same spot. Try to remember where cards are for future turns!
3. The next person takes their turn.
4. Continue to play until all pairs are found. The player with the most matches wins.

## Optional Variations

- **Team Play:** Work together to find all matches.
- **Timed Challenge:** See how many pairs you can find in a set amount of time.
